

CLIFF HOUSE CARE HOME

A team that really cares

HALCYON

The perfect location and friendly environment...

Part of the Halcyon Care Group, established quality care providers in Lincolnshire since 1989, and situated in a quiet residential area within walking distance of the centre of Clowne, Cliff House Care Home is situated on top of Cliff Hill offering stunning views of the surrounding area. We offer personal care for up to 40 residents with physical disabilities, dementia and mental health problems.

Our spacious rooms are single or twin occupancy with the majority having en-suite facilities. We offer a choice of colour and furnishings which can be personalised to suit residents' individual choices and preferences. There is level access and wide corridors which enables the use of wheelchairs and which provides a safe environment for more mobile residents.

There are two lounges, one lounge/dining area and a separate quiet lounge. The home benefits from a front courtyard and an enclosed, private, well maintained rear garden. Other facilities include a hairdressing salon and cafeteria for residents and visitors.

We offer a secure and homely environment which ensures that all residents' health and social wellbeing are promoted.

Residents quickly make friendships, often through joint participation in our wide and varied activities and entertainment programmes. Visitors are welcome at any time and the home is very much involved in the activity of the local community. We treat residents with dignity and respect, encouraging them to make the most of their stay with us.
