Caring for you

HALCYON

The perfect location and friendly environment...

Situated in a rural setting in a village in North Lincolnshire, The Fountains Care Centre offers nursing and personal care for 45 older people including 6 beds for people with a physical disability.

Fountains Care Centre is set in mature grounds at the centre of the village of Tetney which provides a good range of local community facilities including a Post Office, Public Houses and a Supermarket. The home is spacious, offering single room accommodation on two floors, with ensuite facilities. Two of the rooms are also registered as companion rooms.

There are two dining rooms situated at ground floor level along with three lounges. All of which offer attractive views of either the gardens or the patio area. The large garden is well maintained with flowering plants, trees and extensive lawn area. On the first floor there is a quiet lounge which provides residents with a more private setting for family teas or special occasions.

You need not be alone at The Fountains. You will meet new friends and have the opportunity of joining in with the regular activities and entertainment. Visitors are welcome at any time and the home is very much involved in village activity.
