

# NIGHTINGALE HOUSE CARE CENTRE

*A team that really cares*

HALCYON

## The perfect location and friendly environment...

Situated in a rural setting in the village of Bucknall in Lincolnshire, close to the Lincolnshire Wolds, Nightingale House Care Centre offers residential and dementia care for 44 residents.

Nightingale House Care Centre is a detached property and stands in approximately one acre of ground in the centre of the village. The home is single storey and spacious, offering residents a choice of eating in the main dining room or within their own comfortable rooms. There is a modern furnished conservatory off the main dining room where residents and families can sit and relax. Bedrooms are single occupancy, many with en-suite facilities.

We have created a unit which provides a safe environment for people who have dementia. A sensory room enables residents to  with fibre optic lighting and soothing music. A door from the lounge leads into a lovely secure garden with seating areas where residents can stroll and sit safely enjoying the colours and perfumes of the garden. There are raised beds and areas where residents can participate in light gardening and enjoy the pleasures of picking and eating fresh produce.

The home has two other lounges in the main area of the home, one television lounge comfortably furnished with an outlook to the countryside. Our activities lounge is used daily for residents to enjoy morning and afternoon activities which offer a stimulating programme to suit all needs.

You need not be alone at Nightingale House. You will meet new friends and have the opportunity of joining in with the regular activities and entertainment. Visitors are welcome at any time and the home is very much involved in village activity. We aim to treat everyone as an individual with dignity, respect and encourage them to make the most of their stay with us.

## and a dedicated staff team...

Led by an experienced and qualified Manager, the staff at Nightingale House work as a team committed to the Halcyon Care philosophy. Every effort is made to provide individual care which promotes privacy and dignity and to meet each resident's needs and preferences. The manager is supported by a Deputy Manager, team leaders and care staff. Senior staff are on duty throughout the day and night. All staff participate in the home's training programme and personal development scheme.

## who are committed to your personal health and wellbeing.

Nightingale House provides a home where residents are helped to retain their independence and be involved in their care. The emphasis is on quality and enjoyment of life. We are not just caring for you, we care about you.

## Meals

All meals are created by our own catering team. Fresh produce is used and residents are involved in developing menu choices. Beverages and snacks are available at any time night and day. Meals are served in the dining room and can be taken in your own room should you choose. Individual diets and personal preferences are catered for.

## Activities

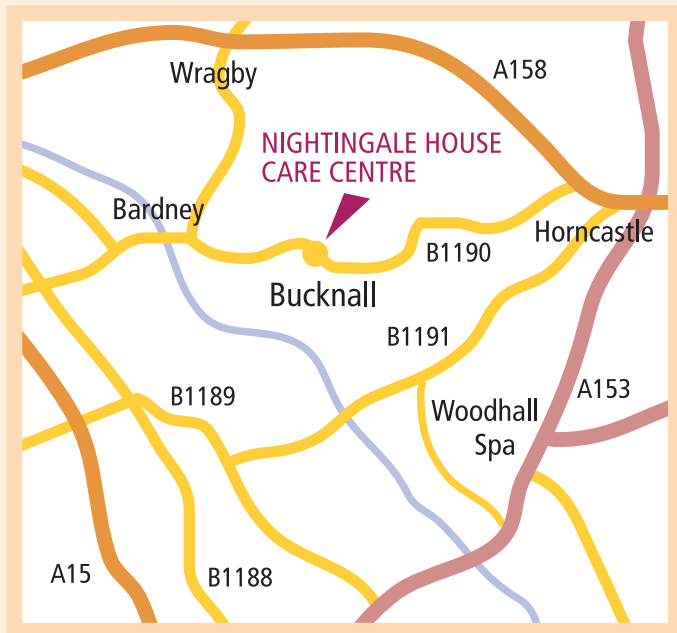

We believe it is important to keep active and to make the most of every day. Events at Nightingale House include visiting singers and entertainers, a weekly programme of varied activities, bingo, craft sessions and outings are arranged to places of interest.

## Fees

Our fees are based on choice of accommodation, individual care needs and any other special requirements. For information on Nightingale House Care Centre's fee structure please contact the Manager who will be happy to assist.

For further information or to arrange a visit please contact the Manager.
