

# WAINFLEET CARE HOME

*A team that really cares*

## The perfect location and friendly environment..

Situated in the quiet market town of Wainfleet all Saints, Wainfleet Care Home is within walking distance of the town and only five miles from the well-known seaside resort of Skegness.

The Home offers personal care for up to 43 residents. Our care services look after people with Dementia and Physical Disabilities

Our rooms are single or twin occupancy with some having ensuite facilities. Rooms are spacious and offer a choice of colour and furnishings which can be personalised to suit residents' individual choices and preferences. There is level access and wide corridors, which permits the use of wheelchairs and a safe environment for more mobile residents.

The home is split between two floors; there is one large lounge and one dining room on each floor. The ground floor has a wonderfully bright conservatory with a newly refurbished cafeteria and hairdressing area. The first floor caters for dementia clients with different themes and memory lanes such as a built-in bar, bus stop, seaside area and many more. The home benefits from a front patio area and an enclosed well maintained rear garden.

Wainfleet Care Home is part of the Halcyon Care Group, established quality care providers in Lincolnshire since 1989.

At Wainfleet care home we offer a secure but homely environment, which ensures that all residents' health and social well-being is promoted.
